Church of Christ

Dear Brethren:

I appreciated your very prompt reply to my recent request concerning our 1967 meeting. I have received Brother Ray Crook's letter and want you to know that I consider it a genuine favor that you have ~~have~~ shown me in allowing me to be released from my commitment for next year's effort.

I remember with deep gratitude my previous efforts with the McGregor church and deeply regret that situations regarding my work and personal life do not allow me to be gone enough time next year to come and work with you. I send you my prayers and best wishes. Let me know if there is anything that I can do in any way to make your work even greater in the days ahead.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

We received your letter of August 31, and were sorry to learn that you could not be with us in the meeting next Spring. We want you to know that we understand your situation and would not want to hinder the great work you are doing.

Since I corresponded with you concerning the first meeting you held here at McGregor, which I understood was your first trip to Texas, I was looking forward to this meeting very much. I moved away from McGregor just a few months before the meeting and have just moved back to work with the church here again.

We continue to pray for the fine work you and the Highland Church are doing.

Sincerely,

J. Ray Crook
